

President's Award

The President's Award honors those who have made distinguished contributions to the profession of technical communication or the Society. The President's Award is awarded solely at the discretion of the president.

The STC President announces the names of the recipients at the Society's annual conference, the [STC Summit](#).

Citation: For your tireless dedication and service to the Society as a leader and volunteer, including on the Board of Directors as President and Director, as Chair of STC's 70th Anniversary Task Force, and as Chair or Co-Chair of numerous other committees over the years. Your efforts to engage technical communication luminaries and popular media figures in our programs have demonstrated the breadth of the impact of our profession on the world around us, plus have increased the visibility of our Society. Your commitment and ongoing involvement make you an inspiration and example for others.
